Why Be Moral – what kind of question is that? Morality is a good thing. Immorality is a bad thing. A person should always do good things and never do bad things. Doesn't everybody agree? Well, judging by people's behavior, not necessarily. But we also have to be careful not confuse 'ought' and 'is'. People do behave immorally. But they shouldn't. Everybody knows that - at least in their ...

Charles Darwin truly says that the terrestrial forests do not contain anything like the number of animals as those of the sea. The ocean, which is for man the element of death, is for myriads of animals a home of life and health. There is joy in its waves, there is happiness upon its shores, and heavenly blue everywhere.
