A curriculum vitae is a detailed list of specifications, while a cover letter is a full-blown marketing campaign. 2. Pick the Best CV Format If you want to have an edge over them, read our comprehensive guide: How to Put Your Education on a CV [Tips & Examples] 7. Put Relevant Skills that Fit the Job Opening .

How to Write a Curriculum Vitae (CV) for a Job Application
When you're just beginning your career: The chronological resume format will not work well if you are new to the workforce.You may have all the skills required and applicable experience outside the realm of paid work, such as volunteering and internships. But if you choose a chronological resume, the hiring manager will only see your lack of paid work experience, not your abilities.

How to Put Together a Chronological Resume

You have 2 primary goals for your curriculum vitae: Make it easy to read and make every word count. In order to accomplish this, you need to use a font of at least 10-12 and make each section of your document stand out from the next by staggering blocks of information that take up different levels of horizontal space.
