Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

Earth Science Tarbuck And Lutgens

Lutgens and Tarbuck published their first college text, Earth Science, in 1976. That book, winner of the McGuffey Award from the Text and Academic Authors Association, is now going into its tenth edition. In 1983, as the first edition of Earth was being prepared, gifted geology illustrator Dennis Tasa joined the author team. Since then the three have collaborated on more than twenty projects.
