my first child. We are now expecting our second child so I wanted to get the same book for that child. I like how the book has pages for you to fill in information about your baby each month and then add pictures. We were really good about taking pictures of our first child each month to put in the book.

Adding funny or special stories to pages makes it much more personal and memorable. 15. Add a milestones page. One of my favorite pages in the baby book is his milestone and vitals page. At the end of each month, I put a little note in my phone summarizing what my son was doing so I could put them all together into the book.
