Overview Though for many sports today is just another part of their daily lives, it is easy to forget that just 120 years ago, many of the sports we take for granted did not yet exist, and those that did would be barely recognizable to the modern sports audience. The history of modern sports details an evolution, from games played primarily for entertainment and leisure to an industry rivaling ...

The most famous association of sports and religion was certainly the Olympic Games, which Greek tradition dates from 776 bce. In the course of time, the earth goddess Gaea, originally worshiped at Olympia, was supplanted in importance by the sky god Zeus, in whose honour priestly officials conducted quadrennial athletic contests.

In 1676, in Virginia, a group of black slaves and white servants united against their wealthy social superiors. This uprising was known as Bacon's Rebellion, after its leader, the wealthy colonist Nathaniel Bacon, who died of dysentery in the midst of the uprising. In part, the rebellion was about the Virginian government's hesitation to fight Indians encroaching on poor white servants ...
