Savvas Math Programs - Savvas Learning Company

I am a junior and have Algebra 2 for math this year. I got a B last quarter and right now i have a (C) 73 % for this quarter. My biggest problem are the tests because they are worth so much of our grade. Not to mention that one teacher out of four algebra math teachers in the school make the tests. What i am asking is what do i do to help better prepare myself for the tests.
