Algebra Work Problems (solutions, examples, videos, examples)

Let me say that again.
The most common
mistake in problem
solving is trying to find
a solution right away.
That's a mistake
because it tries to put
the solution at the
beginning of the
process, when what we
need is a solution at
the end of the process.

Work problems can cause a lot of stress in your life, and are important to resolve since so much of your time is spent in the workplace. Some of the most common work problems are issues with your job itself--too much work, for example, or feeling ill-equipped to perform the tasks---and managing day-to-day stress at work.
