Even though the W600i has been out for a while now, some people still use it, probably because of its swivel design (that's why I keep it). Also, it's easy to tell people who want to change the housing to refer to the How-To guide of the S700/S710. But here's something I decided to do because I've had some people ask me if it's easy to take apart the W600i.
