John Lannon is Professor Emeritus and former Director of Writing at the University of Massachusetts Dartmouth, where he developed the undergraduate major in professional writing and later co-developed the M.A. program in professional writing. He has also taught at Cape Cod Community College, University of Idaho, Southern Vermont College, and University of Strasbourg.

Amazon.com: Technical Communication (13th Edition ...

The college had changed books to a custom edition after I ordered this rental. The instructor had this same book, so I was able to complete my technical writing class using this book. Great information on writing technical papers. The book I received was in good condition. Very happy about this rental.

Amazon.com: Customer reviews: Technical Communication

Lannon treats technical communication as a concrete problem-solving activity in a concise, accessible manner rather than foregrounding some particular theoretical orientation up-front. TECHNOLOGY ADVANTAGE - Comprehensive coverage of computers and the Internet as used in technical communication reflects current trends in technology.
