The History Of Music Art

Music is a protean art: it lends itself easily to alliances with words, as in song, and with physical movement, as in dance. Throughout history, music has been an important adjunct to ritual and drama and has been credited with the capacity to reflect and influence human emotion.

music | Art Form, Styles, Rhythm, & History | Britannica

Prehistoric music, once more commonly called primitive music, is the name given to all music produced in preliterate cultures (i), beginning somewhere in very late geological history.Prehistoric music is followed by ancient music in most of Europe (1500 BC) and later music in subsequent European-influenced areas, but still exists in isolated areas.

History of music - Wikipedia

At the beginning of the 20th century, art music was divided into "serious music" and "light music". During the second half of the century, there was a large-scale trend in American culture toward blurring the boundaries between art and pop music.

Art music - Wikipedia

Music was an essential part of civic, religious, and courtly life in the Renaissance. The rich interchange of ideas in Europe, as well as political, economic, and religious events in the period 1400–1600 led to major changes in styles of composing, methods of disseminating music, new musical genres, and the development of musical instruments.

Music in the Renaissance - The Metropolitan Museum of Art

Greece was the root of all Classical art, so it's no coincidence that Classical music is rooted in Grecian innovations. In 600 BCE, famed mathematician Pythagorus dissected music as a science and developed the keystone of modern music: the octave scale.

History of Music - The Method Behind the Music

Andy Hamilton defends a tripartite distinction, arguing that sound art, as opposed to both music and literature, was established as a significant art form in the twentieth century (2007: 40–65). This is one reason that Hamilton endorses both tonal and aesthetic conditions on music; without the former, Levinson is unable to make such a distinction.

The Philosophy of Music (Stanford Encyclopedia of Philosophy)

Art and Music Histories covers most major historical periods of art and architecture from ancient to postmodern times, as well as the repertoires and histories of different musical cultures. You can also design your program around studio art or music performance or composition.
